
DEPARTMENT PHILOSOPHY

Michigan Department of Health and Human Services (MDHHS) has a unique opportunity to assist families in becoming strong, viable, participative members of the community. By involving the adult members of the household in employment-related activities, we help restore self-confidence and a sense of self-worth. These are cornerstones to building strong, self-reliant families.

The goal of the Food Assistance Program (FAP) is to ensure sound nutrition among children and adults. In addition, the goal of our employment-related policies for FAP households is to assist applicants and recipients toward self-sufficiency by providing them with opportunities to pursue employment and/or education and training.

DEPARTMENT POLICY

Use this item to determine work-related activities and deferrals for FAP clients.

Also use this item when FIP or Refugee Cash Assistance (RCA) closes for any reason other than a penalty or disqualification.

The items listed below must be used when FIP or RCA closes due to noncompliance and a penalty or disqualification is imposed.

If the noncompliant client:

- Received FIP and FAP on the date of noncompliance; see BEM 233B.
- Received RCA and FAP on the date of noncompliance; see BEM 233C.
- Did not receive FIP or RCA on the date of noncompliance; see BEM 233B.

See BEM 620 for more specific work requirements that apply to Time Limited Food Assistance (TLFA) Program recipients.

WORK REQUIREMENTS

Non-deferred adult members of FAP households must comply with certain work-related requirements in order to receive food assis-

tance. However, unlike cash benefits, which are tied to participation in Partnership. Accountability. Training. Hope. (PATH), there are no hourly PATH requirements for the Food Assistance Program. In order to receive FAP benefits, non-deferred adults must comply with the following work requirements:

Non-deferred adults must be registered for work and be informed of work requirements.

Non-deferred adults who are already working may not do any of the following:

- Voluntarily quit a job of 30 hours or more per week without good cause.
- Voluntarily reduce hours of employment below 30 hours per week without good cause.

Note: If the job quit or reduction in hours occurred more than 30 days prior to the application date, no penalty applies.

Non-deferred adults who are not working or are working less than 30 hours per week must:

- Accept a bona fide offer of employment.
- Participate in activities required to receive unemployment benefits if the client has applied for or is receiving unemployment benefits.

Note: If a client is an applicant or recipient of unemployment benefits, he/she must follow through with the unemployment benefits program's procedures and requirements. This work requirement does not apply to a client who is clearly not eligible for unemployment benefits. Do not require a client to apply for unemployment benefits in order to receive FAP.

Disqualify FAP clients for noncompliance if the applicant or recipient is neither deferred (see deferrals in this item) nor noncompliant with one of the FAP work requirements listed above.

In order to provide all FAP adults with the opportunity to pursue employment and/or education and training that will lead to self-sufficiency, encourage FAP applicants and recipients to pursue employment services such as job search, employment counseling, education and training, etc.

Workforce Innovation and Opportunity Act (WIOA) services may be available to all adults in FAP households. Other programs, such as the non-cash recipient program may be available to employed, underemployed, or recently employed adults residing in a household with a child under 18. Every local Michigan Works! Agency throughout Michigan operates both of these programs and may provide additional employment and training services. However, local variations, restrictions and/or policies may apply. Check with a local Michigan Works! Agency to determine what employment and education/training services are available in the area.

Do not disqualify FAP program applicants or recipients for failing to comply with WIOA services or any other suggested employment and training component.

Determine each group member's participation requirement at:

- Application.
- Redetermination.
- Change in circumstance that might affect the person's participation requirement; see BAM 105 for changes in circumstances that are required to be reported for the FAP.
